

WAPO ONE DAY

715-268-8434 lakewapo.org campwapo@campwapo.org

CHECK-IN AND PICK UP

9:00AM CHECK-IN ~ 2:30 PM PICK-UP

Check-in happens at the **Art Shop** (right in the middle of camp) When you check-in, our staff will do the required health screening. Due to the fact that we swim/enjoy the waterfront not long after campers arrive, it is easiest and most time effective if campers wear their swimsuit (with clothes over) to camp, or the adult bringing them helps them change right before they officially check-in. **If your camper will need to take medication while at camp, please let us know ahead of time by emailing nataliep@campwapo.org.**

WHAT TO BRING TO CAMP

- wear swimsuit with clothes over
- dry clothes for the forecasted weather for after waterfront time
- good shoes for playing field games
- beach towel
- water bottle
- sunscreen

Please make sure to label all items with your camper's name. Lost and found items are kept at camp until September 1st when they are donated to a local charity. Please call the office at 715.268.8434 as soon as possible so we can be on the lookout for any lost items.

TRAVEL TO CAMP WAPO

The camp address is 1204 74th Ave, Amery WI 54001. Our neighbors endure a lot of camp traffic. **Please be courteous by keeping your speed to 10mph.**

WAPO ONE DAY SCHEDULE

A typical Wapo One Day camp looks like this. Spontaneous changes for weather and fun should be expected!

9:00am	Check-in & name games
9:30	Chapel time
10:15	Camp tour, Bible adventure, morning snack, swimming/water activities, and games
12:30pm	Lunch
1:00	Field games, Art project, canteen time, and more fun games
2:30	Departure

SEVERE WEATHER

We have designated storm shelters for all of our guests and protocols in place if severe weather occurs. Weather conditions are carefully monitored. We will notify parents when appropriate via email, phone and/or Facebook. Please don't call camp during a storm, we need to keep our phone lines open in case of an emergency.

HEALTH & WELLNESS

Our highest priority is always to ensure a safe and healthy environment for our campers and staff. We have created protocols, in accordance with the best practices and guidelines from the CDC, ACA, local health authorities, and other medical professionals. We will remain in step with best practices, and adjust our protocols as necessary. Our protocols contain many layers, which we feel will help provide safe spaces, and still allow for fun and faith formation to take place at our camps.
