- * **Wait Tables:** You will be taking care of 2-3 tables throughout the night, clearing plates after each course, filling water/coffee, providing new napkins, silverware, etc. This is a great volunteer role if you also want to see the performance.
- * **Serving Table Attendant:** Behind the scenes you will assist with bringing the food to the serving tables and clearing and cleaning the serving tables after each course. During the courses you will serve punch, bread sticks and rolls.
- * **Dish room dream team:** Assist dish room staff with the washing of dishes.
- * **Clean up crew:** After the performance the real magic begins...the clean-up crew moves in to

clear all the tables, get the remaining dishes to the dish room, sanitize all the tables and chairs and re-set the tables, and restock creamers, sugar, and butter for the next night. We crank up the Christmas tunes and make this all happen in record time! Thank you to the wonderful group of volunteers, choir members, cast, and staff who attend to this need each year.
